Ball & Carabin

THE LARGEST STORE IN THE CITY

An Extraordinary Notice.

The superb stock which we offer during this Holiday season of '97—our recognized lowest prices and the Absolute Confidence which the entire public places in this store have assisted in making our sales much greater in dollars, in yardage and in articles, than we have ever before shown. Remember, we always have met any competition, and are recognized today by thousands of people as being the lowest priced outfitters as well as the most reliable merchants in Marshall or any adjoining county.

Capes and Jackets.

They must go, and this month too! We have placed such a price on our remaining line of Jackets and Capes that by the end of this month we do not expect to have one garment remaining. If you have not as yet purchased your Winter Wraps avail yourselves of this extraordinary opportunity and get an 1897 made Coat (Latest Style) for little money. Being the leaders, in selling this great and grand line we also maintain that highest principle—that of being the leaders in regulating the lowest prices. Now is the time to purchase.

A Terrible Plunge In Winter Clothing!!

We find that we are overstocked in certain lines of Clothing, having purchased heavily before the rise in Clothing in order to benefit our customers and save them from 25 to 50 per cent. We find we must make a great sacrifice in order to reduce our enormous stock. We shall place on Special Sale, beginning December 10th for 30 days, for cash only, six lots of Overcoats and Suits. Take every garment out of these different lots and they are worth double their price, and you shall find them on sale on one separate counter marked the same as advertised. Bring this paper along and be convinced. Understand this is no fake ad or sale—but an ad and sale that will save you 50 per cent. or more on every dollar you invest on these goods while this sale continues. Come in and investigate and you will be convinced that we have stated the facts exactly as they exist.

WE call special attention to our line of neckties. We have purchased an enormous line for Holiday buyers. The neatest and most stylish patterns in Neckwear that have ever been shown before in this city will be found now on exhibition in our store. A Necktie is a very choice Christmas Present. Many other items in gents' furnishings suitable for Holiday gifts. Special low prices for the Holidays on all these goods. See us before buying.

Robberies and hold ups are getting altogether too common these days. Not a day passes but what a crime of this kind is committed, often murder. A way to suppress crime is to punish the criminal. When a man is found guilty of a heinous offence give him his deserts. But it seems that the reform craze has gone so far that instead of punishment a sort of a vacation is given the criminal.

A mothers club has been organized in Goshen. The object of the club seems to be to arrive at plans best calculated for the rearing and training of children. We don't know what kind of clubs these mothers will employ in rearing and training children but an ordinary switch well laid on by our old fashioned mothers used to have a salutary effect. But in all probability club women find it necessary to adopt different methods.

"Just as Good"

as Scott's and we sell it much cheaper," is a statement sometimes made by the druggist when Scott's Emulsion is called for. This shows that the druggists themselves regard

Scott's Emulsion

of Cod-Liver Oil with Hypophosphites of Lime and Soda as the standard, and the purchaser who desires to procure the "standard" because he knows it has been of untold benefit, should not for one instant think of taking the risk of using some untried preparation. The substitution of something said to be "just as good" for a standard preparation twenty-five years on the market, should not be permitted by the intelligent purchaser.

Be sure you get SCOTT'S Emulsion. See that the man and fish are on the wrapper. 50c and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York.
